WORK EXPERIENCE

Delivery Driver
Grubhub, Charlotte NC
2017–Present

- Consult with customers and restaurants to ensure that orders are correct.
- Demonstrated safe and proper way to transport and deliver food.
- Worked independently in fast and low-paced environment while productivity and quality expectations.

Warehouse Associate
Neomonde Baking Company, Morrisville NC
March 2014 – December 2014

- Prepared orders for shipment by systematically picking, packing and labeling merchandise.
- Inspected incoming and outgoing shipments to verify accuracy and prevent errors.
- Helped customers locate items and complete their transaction. Compared received packages against shipping documents.

PROJECTS

Web Development Project

- Using HTML, CSS, JavaScript, and third-party APIs, I worked with a group to build a dictionary that provides synonyms, origin, and an example when a word a searched. It also shows a corresponding to the searched word.
- I worked with a group to build a typing game that allows users to type the words that is displayed, and the first one that reaches 7 wins. We used MySQL database, Sequelize, RESTFUL APis, and user authentication.
